

SENATOR MOORE: The Department of Labor, is it not?

SENATOR HIGGINS: You are aware of the handout I gave several weeks ago of the memo that Governor Orr sent to all department heads listing about seven or eight things they would have to do in the form of information they would have to give her before she would sign the approval of any rule or regulation.

SENATOR MOORE: Yes, I'm aware of that.

SENATOR HIGGINS: Thank you. I just wanted a clarification on that.

SPEAKER BARRETT: Senator Haberman, on the Moore amendment.

SENATOR HABERMAN: Mr. President and members of the body, I just rise to support Senator Moore's amendment as we have the same problem out in my part of the country and it's a good amendment and I would urge the body to adopt it.

SPEAKER BARRETT: Thank you. Any other discussion on the amendment? Senator Moore, would you care to make a closing statement?

SENATOR MOORE: Simply like to say that this amendment allows people within Nebraska that have been operating in a reasonable manner to continue. I think it's important that we don't overburden with regulation in government. I agree with the bill dealing with migrant workers. There are some problems there that the bill addresses that I agree with, but this would exempt out some existing people that I think we don't need to regulate at this time. So I urge for the adoption of the amendment.

SPEAKER BARRETT: Thank you. You have heard the closing. The question is, shall the Moore amendment be adopted? All in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of Senator Moore's amendment.

SPEAKER BARRETT: The Moore amendment is adopted.

CLERK: I have nothing further on the bill, Senator.

SPEAKER BARRETT: Senator Moore.
